

# RUSTICA 200T

## APLICACIONES

Machine for structuring wood with combined metal and nylon brush.  
Posibility to fit machine with sanding strips for wood lacquer sanding

## DESCRIPTION OF MACHINE

Control of machine by control panel.  
Analogue height adjustment.

## TECHNICAL DETAILS RUSTICA 200T

### Dimensions

1500X1000X1500

### Working width

Max 200  
Min leng 400

### Sanding pressure

Analogue

### Sanding axles

2

### Control de velocidad

180 a 650 rpm

### Speed of Axles

180 TO 650 rpm

### Speed of conveyer belt

2/14 m/mi

### Motors

5,5 Kw

### Voltage

400 V

### Weight

450 Kg

### Equipment

FLEX-TRIM

### Models

200/400/1000/ 1300
